| **Excise Tax 2018/Delayed until 2020:** Congressional Budget Office predicts the nation’s employers will pay over $3 billion for the Cadillac tax in 2018, but, with healthcare costs increasing faster than inflation, it expects the burden on employers to rise, doubling to $6 billion in 2019. | **Individual $10,200; Family $27,500 (second notice released by IRS February 23, 2015)**  
**Retirees and High Risk Professions**  
**Individual $11,850; Family $30,950**  
**Administrative Penalty July 20, 2015** the Treasury Department and Internal Revenue Service released Notice 2015-52, which offers additional guidance regarding the implementation of the Excise Tax on High Cost Employer-Sponsored Health Coverage.  
**December 2015:** The budget deal negotiated on Capitol Hill would strike a $35 billion hold in Obamacare’s financing, but the real concern that is now scaring economists is that the moratorium on three taxes is just the start of permanent repeal.  
**The 2 year delay of the Affordable Care Act’s Cadillac Tax on high-cost health plans will eliminate nearly $16 billion in government revenue.** | **40% Excise Tax Taxable Years beginning after December 2017**  
[40% x (coverage divided by threshold) = amount of applicable tax liability]  
Considering the filing of Form 720, quarterly Federal Excise Tax Return, as the appropriate method for the payment of the tax  
**Taxable Period**  
**Calendar Year**  
**Coverages in Discussion “applicable coverage”**  
**Employer Funded Premium/Contributions**  
**Employer Funded Section 125 Plans**  
**Employer Contributions to HSAs**  
**On-Site medical clinics excluded if offer only to active medical employees**  
**Limited scope dental and vision**  
**Employee Assistance Programs**  
**Non-Applicable coverage**  
**Accident, disability**  
**HSAs funded with employee after tax contributions**  
**Long Term Care**  
**Insured stand-alone dental and vision**  
**Fixed dollar indemnity and specific disease or illness “excepted benefits” (if 100% funded after tax by employee)**  
**Responsible Party to Pay Excise Tax (In Comment)**  
**Self-Funded Employer**  
**Plan Administrators**  
**Payment of the Tax:** The Treasury and IRS are considering using the existing Quarterly Federal Excise Tax Return (Form 720) as the vehicle for paying the tax. |

What should the political subdivision do if they receive a notice from the Marketplace stating that an employee received a subsidy for individual health insurance?

- Marketplaces are required to send notices to employers regarding employees who purchase coverage through the Marketplace and qualify for a subsidy.
- The notice will be sent regardless of whether an employer is subject to the play or pay mandate and are not intended to be an official notification of excise taxes under Internal Revenue Code Section 4980H.
- The notice the employer receives will identify the employee, indicate the employee has been determined eligible for a Marketplace subsidy and notify the employer that it may be liable for the excise tax assessed under Code Section 4980H, and if so, that the employer has a right to appeal the decision.
- This is the employer’s opportunity to correct the information provided by the employee if it is inaccurate and protect the employer from later being incorrectly assessed an excise tax.
- Employers may choose not to appeal and see if the IRS attempt to assess excise taxes following the employer’s 6056 reporting in early 2016.
Reporting Notification

What should the political subdivision do if they receive a notice from the Marketplace stating that an employee received a subsidy for individual health insurance?

- Employers will be allowed 90 days from the date of the subsidy notice to request an appeal and submit relevant evidence to support the appeal.
- The Marketplace will accept appeal requests by telephone, mail, via the internet, or in person (if possible) and will provide assistance if requested.
- Employers should remember, that these notices are NOT an official notification of excise taxes under Internal Revenue Code Section 4980H.
- This assessment likely would not be received until mid-2016 or later, and the employer could challenge the assessments at that time.
- An employer choosing not to appeal a Marketplace notice may want to inform the employee it believes he or she should not be receiving a subsidy and should discuss the matter with the Marketplace representative to avoid a possible subsidy payback situation.

Discussion Items with ALE and Non-ALEs

Trust and IEBP Self Funded Pool Filing Discussion

1. IEBP is a self-funded entity and we take risk on behalf of our Pool membership.

2. IEBP purchases stop loss at $750,000 specific deductible because we are self-funded.

3. The IEBP Pool is self-funded but we were coached that each one of our members were fully-funded under the IEBP self-funded umbrella.

4. Due to the above information, IEBP identified each one of our Pool members as “Employer Sponsored Coverage” for Non-ALE employers and for the ALEs we identified the employer as non self-funded.

5. These decisions created no dependent drops on the 1095-C. The dependents did drop on the 1095-B.
1095-C may be delivered Electronically to Employees

- Identical requirements to Electronic W-2 form
  - The employee must affirmatively consent to receive Form 1095-C in an electronic format.
  - The consent may be made electronically in a manner that reasonably demonstrates that the employee can access the statement in the electronic format when furnished; alternatively, the consent may be made in a paper document that is confirmed electronically.
  - The consent may be made in a paper document that is confirmed electronically.
  - The consent requirement is NOT satisfied if the employee withdraws the consent, and the withdrawal takes effect before the statement is furnished.
Electronic Individual Transmittal Required Disclosures

- The employer must provide the employee with a clear and conspicuous disclosure statement containing each of the following disclosures before or at the time of the employee’s affirmative consent:
  - Employer must inform the employee that the Form 1095-C will be furnished on paper if the employee does not consent to receive it electronically
  - The employer must inform the employee of the scope and duration of the consent
  - The employer must inform the employee of any procedure for obtaining a paper copy of Form 1095-C after giving consent to receive the statement in an electronic format and whether a request for a perp statement will be treated as a withdrawal of consent
  - The employer must inform the employee that he/she may withdraw a consent by writing (electronically or paper) to the person or department whose name, mailing address, telephone number, and email address is provided in the statement; the employer will confirm the withdrawal and the date on which it takes effect, in writing (electronically or on paper) and a withdrawal of consent does not apply to a statement that was furnished electronically before the date on which the withdrawal of consent takes effect
  - The employer must inform the employee of the conditions under which the employer will cease furnishing Form 1095-C electronically (for example, after termination of the employee’s employment)
